आज मेरा जन्मदिन है।

जन्मदिन पर मुझे उपहार  
मिलते हैं।

जन्मदिन पर हम गुब्बारे  
फुलाते हैं ।

जन्मदिन पर हम केक  
खाते हैं ।

जन्मदिन पर हम टोपी  
पहनते हैं ।

अपने जन्मदिन पर मुझे  
बहुत मज़ा आता है ।

Check out our SEL Program  
Social Slate  
By Neha Chopra

Social Slate is a SEL program for young learners. This program lays a strong foundation to build social and emotional skills in children. Social Slate aims at helping children to understand and express emotions, resolve social conflicts and develop self-awareness.

The program consists of 12 units and each unit focuses on developing a specific social and emotional skill. The 12 units are as follows:

- Identifying and expressing feelings
- Self-Control
- Handling disappointment
- Kindness

- 
- Paying attention
  - Developing good habits
  - Grace and Courtesy
  - Making good choices
  - Learning from mistakes
  - Honesty
  - Accepting differences
  - Think before you speak

Our adorable penguin Skipper will help children to understand, learn and acquire new SEL skills.

The units are in no particular order and can be taught according to the need of the learner.

Ideally one unit should be taught for two weeks to strengthen the skill.
